

GRAN CAN YOU RAP ?

Write Extra verses to this poem keeping the style the same >>> MAN!!!!

Gran was in her chair she was taking a nap
When I tapped her on the shoulder to see if she could rap
Gran can you rap? Can you rap? Can you Gran ?
And she opened one eye and said to me, Man,
I'm the best rapping Gran this world's ever seen,
I'm a tip-top, slip -slap, rap-rap queen.

Example of new verse:

Mum was in the kitchen, she was cooking the tea,
When I tapped her on the arm to tell her it was me
Mum can you cook? Can you cook? Can you Mum?
And she turned to me quickly with the frying pan!
I'm the best cooking mum this world has ever seen
I'm a whirl-stir, fry-dry, cook- cook queen.
