

Good morning! – It's 1st February

Leo's word of the day:

caution

Care taken to avoid danger or defeat.

"when feeding the lions, you must work with extreme **caution**," warned the zookeeper.

(Could you alter the suffix?)

How do you feel?

Which emoji best shows how you feel today? If you are comfortable doing so, write a sentence or two about why.

Country of the day

 Myanmar

Capital city: Naypyidaw

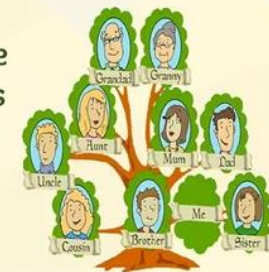

Continent: Asia

? What is the highest mountain in Asia?
