

Good morning! – It's 3rd February

Country of the day

 Madagascar

Capital city: Antananarivo

Continent: Africa

Leo's word of the day:

endemic

Native to a specific place.

Approximately 90% of all plant and animal species, found in Madagascar, are **endemic**.

(Could you alter the suffix?)

? Can you name some animals that inhabit Madagascar?

Today's challenges

A large percentage of the wild-life and plant-life found in Madagascar only lives in this one location. Why do you think this is. Write down your ideas and get ready to share!

 Neatly join the word of the day 5 times.

 Do something kind for someone!

 Can you spot any mistakes?

 Write down the 5X Table.

How do you feel?

Which emoji best shows how you feel today? If you are comfortable doing so, write a sentence or two about why.
