

We are now revising our final split digraph – ‘**u-e**’ as in ‘**flute**’

Remember, the 5 vowels are: **a, e, i, o** and **u**

- There are **short vowel sounds** e.g in the words:

tub

hug

but

- There are also **long vowel sounds** (the long vowel sounds are also the names of the letters). This is when we use the **split vowel digraph** and add the ‘**e**’ at the end of the word.

huge

tube

mute

Today we are going to look at the split vowel digraphs 'u-e' and revise the other split vowel digraphs.

Your Tasks:

1. Watch Mr Thorne teach 'u-e' sound here:
<https://www.youtube.com/watch?v=CQXnqp8g9WM>
2. Read through the **split vowel digraph** words for 'u-e' on this PowerPoint.
2. Read through the **sentences for 'u-e'** and write the words you can spot with the split vowel digraph 'u-e' into your home learning book.
3. Practice spelling split digraph words of the pictures on this PowerPoint.
4. (Optional) phonics songs before completing worksheets on the webpage!

Words with long u sounds

u _ e

Blending

tube

A black curved arrow originates from the bottom of the letter 'u' and points towards the letter 'e', indicating a relationship or flow between these two parts of the word.

cube

A black curved arrow originates from the bottom of the letter 'u' and points towards the letter 'e', indicating a relationship or transition between these two characters in the word.

June
