

Here is your end of topic certificate! We have come to the end of our **'Dreams and Goals'** topic in PSHE and you should all be very proud of yourselves! If you want to fill this certificate in and keep it safe at home, here is the certificate template for you.

Well done for all of your hard work in PSHE Jigsaw this half term!

The certificate is on a purple background with a large star in the center. At the top, the 'Jigsaw' logo is written in colorful, puzzle-piece letters. To the right is a cartoon pink puzzle piece character with eyes, arms, and legs, pointing towards the text. The text 'Dreams & Goals' is in bold black, followed by 'Well done!'. Below this are three sections for writing, each preceded by a line of dots and flanked by small stars. The first section says 'Please feel proud that you have learnt to:', the second says 'I am especially pleased that you:', and the third says 'I am proud that I can:'. At the bottom, there are two lines for 'Signed:' and 'Date:'.
