Make a Magic Box Poem

This box is **magic**, which means you can put anything you like in it. Make a list below of what you might put inside of your magic box.

★ **Start by writing a list of your favourite things, people or places. (Ask someone to help you with ideas.)**

My eight favourite things, people or places are:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.

Can you now write a 5-tick sentence about what you are going to put inside your magic box?

Remember, 5 tick sentences must have: capital letters, full stops, finger spaces, makes sense and conjunctions (and/because)!
