

Instruction Sheet For Parents – Javan Rhinos Lesson 1

- 1) Please **open the video presentation** for your child to watch

- 2) If possible, please **print off a copy of the ‘key words sheet’** or open it up on a screen that your child cannot see.

- 3) Once you have this, please **ask your child to explain what each word means and to tell you a bit about it: What does it mean? Why does it relate to Rhinos?** Any information they can remember about each word is good! **Further information is on this sheet.**

Thank you!
