

Gathering evidence ...

Look closely – what can you see? What is hidden? What could it mean?

Use your detective clues to delve into the evidence provided and make notes on what you think this proves or does it give you another avenue to follow – do you need to interview the suspects and ask them specific questions on what you have seen?

Report back your thoughts to your investigating officer tomorrow morning in your zoom meeting ...or in class.

	Clue 1	Clue 2	Clue 3
Evidence seen (factual)	<p>CCTV footage: Wolf with inhaler</p>		
Interpretation of the seen clues			
Questions arising from the clue ?			

	Clue 4	Clue 5
Evidence seen (factual)		
Interpretation of the seen clues		
Questions arising from the clue ?		

What are your initial thoughts detective? Who do you think is GUILTY?
