# Aim

- . Hola Chicos y Chicas!
- For the next few weeks of Spanish, we are going to learn the words for different family members. Remember, click on the arrows next to the words to hear them, and repeat them aloud. You can do this many times to help you learn.
- **Week 1:** Watch presentation and do all of the activities within it, making sure to repeat the Spanish out loud. Try to do this twice within the week – more if you would like/are able to!
- **Week 2:** a. Re-watch the presentation, but try to say the Spanish before you see/hear it, to see how many you can remember.
- b. Mi familia vocab sheet. Write the English next to the Spanish word. You can re-watch the presentation to help, and you can use the words in the box at the bottom as a reminder. Try to do as many as possible without looking at the English.
- c. Do the family member wordsearch. Can you also write the English next to the Spanish?
- **Week 3.** My family tree worksheet. Mi árbol genealógico.

Design a family tree, this can be real or totally made up. You could have cartoon characters/ your favourite book characters as your brothers/sisters/grandparents! Can you label the pictures in Spanish? E.g. mi hermano Harry Potter. You can draw/print out pictures to put on your family tree. Extra challenge - You could add 'se llama to your sentence to say what this person is called. E.g – mi hermana se llama Peppa Pig. Se llama = is called.
