

Enquiry question:
**Where is the
Mediterranean?**

WALT: Know the names of and
locate at least eight European
countries

Questions to think about:

What is a
continent?

What's the different
between a country and a
continent?

What
continent do
we belong
to?

Can you name all 7
continents?

What
oceans/seas
do you know
the names
of?

Can you name any other
countries in our
continent?

The **Mediterranean Sea** is almost completely surrounded by land. The only part that isn't is the Strait of Gibraltar which connects the Mediterranean sea to the Atlantic Ocean.

What continents
can you see that
surround the
Mediterranean
sea?

We live in the country Great Britain which is part of the United Kingdom.
The United Kingdom is in the continent of Europe.

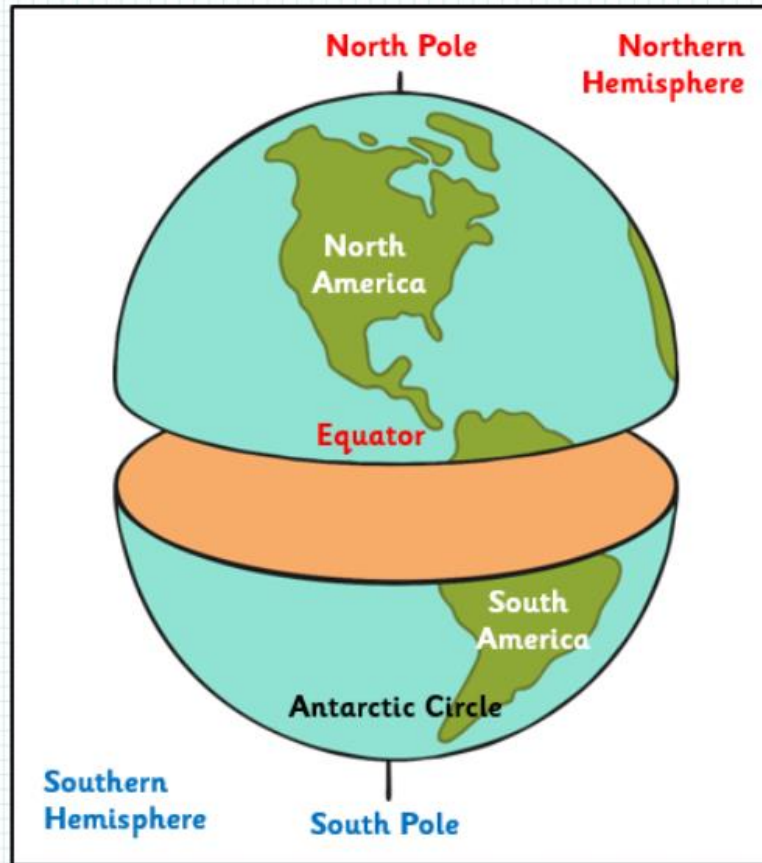

At the moment we are studying the Roman's. They originated from Italy which is also part of Europe. The country Italy looks like a boot.

This is where the Mediterranean sea is on a world map. It is surrounded by the continents:

- Europe
- Africa
- Asia

Remember:
A continent is made up of countries and usually separated by land.

Imagine the
Earth cut
in half...

The **Northern Hemisphere** is anywhere north of the Equator whilst the **Southern Hemisphere** is anywhere south of the Equator.

The equator is the invisible line which splits the world into 2 parts:

- Northern Hemisphere
- Southern Hemisphere

The Mediterranean Sea is in the Northern Hemisphere.

The UK is in the Northern Hemisphere.

Some of Africa is in the Northern Hemisphere.
Some of Africa is in the Southern Hemisphere.

In Geography, we are going to be exploring the Mediterranean Sea and the countries that surround it.

In particular, we are going to be looking more closely at Italy.

The countries that surround the Mediterranean Sea are very popular places to go on holiday. We going to be thinking why.

Has anyone been to a country that surrounds the Mediterranean sea?

Who can name a country that surrounds the Mediterranean sea?

Countries that border the Mediterranean Sea

Activity: Can you use the internet or a map to label all the countries that surround the Mediterranean sea?

Can you find the UK on this map?

Challenge: Can you find the countries capital cities?
