

Maths

In maths, we will be learning about counting forwards and backwards to 50 and will use those numbers to practice different methods of addition and subtraction. We will also start to look at measurement.

Toys!

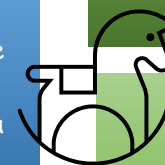

Curriculum Drivers

Creative Thinking - Children will be encouraged to solve problems creatively and collaboratively with their peers.

Diversity - Children will learn about the different communities within their local area and will understand that everyone is different but equal.

Emotional Intelligence - Children will learn how to communicate their thoughts, feelings and opinions as well as listen to others.

Community - Children's learning will be linked to their local area throughout the curriculum for them to feel a sense of understanding, belonging and responsibility.

English

In English this term, we will be linking our work to our history topic of toys. We will look at a variety of stories all about toys and practice our fiction and non-fiction writing skills. We will also be developing our spoken language skills with performances and debates.

PE

PE this half term will be focusing on building the children's skills in both netball and rounders. They will learn how to throw and catch accurately as well as how to hold and use a bat.

Jigsaw

In our Jigsaw lessons this term we will be thinking about Healthy Me. We will be learning about exercise, sleep, healthy food, keeping clean and safety.

History

Is the iPad better than Grandma and Grandad's toys?

In this topic, we will answer the enquiry question above by looking at toys throughout history and comparing them to toys we have now.

Music

In our music lessons we will be learning about traditional music from around the world. We will listen to songs, learn about some amazing musical instruments and compose some music ourselves!

Science

Our science lessons this term will focus on plants and how they grow. We will learn what a plant needs to survive, what the different parts of a plant are called and the names of common garden plants. We will also be growing our own potatoes!

RE & ICT

In RE this term, we will be learning about Moses and Jonah.

In ICT, we will be learning all about animation, how to draw and different animation programmes we can use on tablets.
