## Kit's Camping Trip

A 'Let's Read Together!' Book

We went on a hunt around  
the woods.

I found lots of things on the ground.

We had hotdogs with  
ketchup for tea.

We sat outside later **where** we sang  
songs under the stars.

We went on a coach with Beavers to South Woods.

It was a short trip to get there.

In our team, we made a shelter out of wood.

I was so tired but still had fun until it fell on me!

Dan and I found it difficult to sleep! I **should** have tried harder as I did not feel awake the next day!

The scouts had put up **their** tents. I was in a tent with Jake and a boy **called** Dan.
