

## Wednesday/Thursday challenges

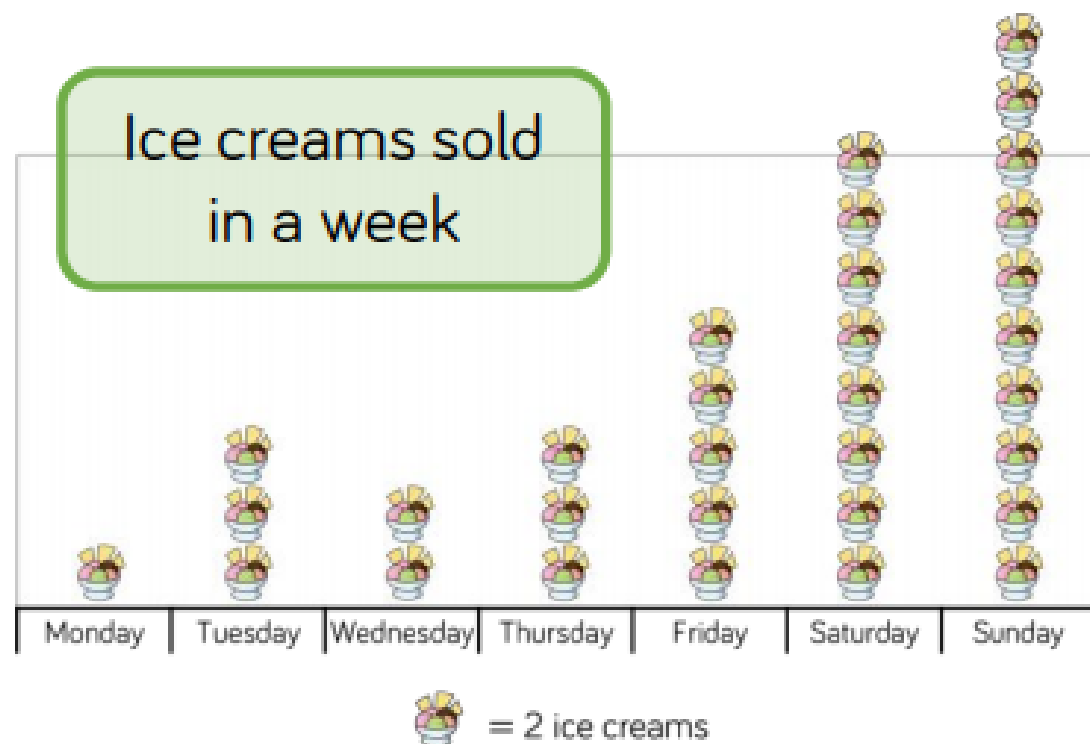

Teddy and Eva both draw a pictogram to show how many cars they counted driving past their school.

Colour	Number on cars
Blue	 
Red	  
Silver	
Black	  
Green	 

 = 10 cars

What is the same? What is different?  
Whose pictogram do you prefer? Why?

## Convince me

There are more ice-creams sold at the weekend than during the rest of the week.

## True or False (Why?)

Three ice creams were sold on Tuesday.

## Justify

If the staff needed to pick one day to have off during the week, which would be the best day and why?
