

Bronze WILF: I can work carry out research about Native Americans
Silver WILF: I can use the I-Pad/laptop and websites efficiently research a tribe
Gold WILF: I can describe characteristic features of the tribe
Challenge - I can present my findings in a poster or leaflet

Native Americans were often grouped into tribes or nations. These groupings were generally based on peoples that shared the same culture, language, religion, customs, and politics. There are over 1000 Native American Tribes in the United States.

Pick a tribe from the list below-

Cherokee, Apache, Navajo, Iroquois and Sioux

Remember questions make good headings

Suggested sub-headings for your research:

Where did they live?
