

Year 2 Robin Hood and his merry men research project

Your task is to find out and collect information about a local, important historical figure. You may present your findings in any format that you like. Some ideas may include: a poster, a Power Point, a leaflet, a detailed mind map or even a diary. Be as creative as you like!

We suggest for this project to be completed over a couple of weeks.

Think about: **Who** was Robin Hood and his merry men?

Did Robin Hood really exist?

Where did he live?

What did Robin Hood do?

What message does the story of Robin Hood have?

If you are researching information, a child friendly search engine that we use in school is: **Kiddle.co** <https://www.kiddle.co/>

From **Kiddle.co** here are some useful websites that will help you to start off your research:
