

Can you adapt the recipe for this potion found in a dusty old magic book...?

Potion for 1 teacher

A Student's Potion:

Adapt the potion for 1 teacher.

30 squashed bugs
5 used tissues
1/3 piece of chewing gum
1/4 of a chewed pencil
10 scrunched up homeworks

Potion for 3 teachers

A Student's Potion:

To make teachers do exactly what YOU want!

90 squashed bugs
15 used tissues
1 piece of chewing gum
3/4 of a chewed pencil
30 scrunched up homeworks

*Mastery Wilf: I can use ratio to solve complex problems involving the relative size of 2 quantities
e.g. adjust a recipe for 4 people, to serve 20 people*

Potion for 10 teachers

A Student's Potion:

Adapt the potion for 10 teachers.

300 squashed bugs
50 used tissues
3 1/3 pieces of chewing gum
2 1/2 chewed pencils
100 scrunched up homeworks

Can you adapt the recipe for this potion found in a dusty old magic book...?
