

## Independent Research : Volcanoes

Can you research one of these famous volcanoes:

- Mount Yasur.
- Cotopaxi.
- Mount Bromo.
- Krakatoa.
- Arenal Volcano.
- Mount Etna.
- Osorno Volcano.
- Mount Vesuvius.
- 

Include facts , history , location , dates relevant to the volcano.

Explain if possible what type of volcano it is and if it is extinct , dormant or active.

You may include diagrams and pictures from the internet

Present your work neatly – but remember to make it interesting to read
