

The School Speaker

Things your child should know

Number bonds to 10

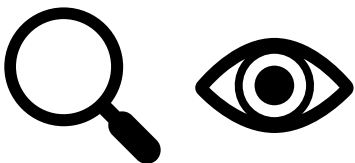

Mothers day

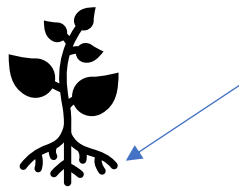

What plants need to grow

Language to learn

Investigation

root

abc

phoneme, digraph,
trigraph (on going)

Challenges this week: 🐛🐛🐛🐛🐛

🐛 Write a list of ingredients 🐛 Play the number bond game 🐛 Make a paper aeroplane
🐛 Make a tissue paper flower and basket 🐛 Go on a hunt outside and follow the instructions

Things to try at home.

Look outside for signs of spring and notice if anything is growing. Talk about Mother's Day and what it means in you family. Keep playing on bug club, Numbots and phonics play. Encourage your child to think about how things work and investigate together.
