

Things to know:

Repeating patterns

Easter

What plants need to grow

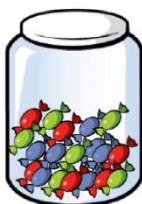

Key Vocabulary:

root, leaves, stem

estimate

natural object

Things to talk about

English focus - Story of Easter, Record of Achievements

Maths focus - Continuing and creating repeating patterns, estimation, comparing quantities using 10 frames

Phonics focus – revisit air and oo

Creative focus – Easter baskets and cards

Other – Egg hunt

Challenges: Red - read clues for Easter egg hunt, Green - create a repeating pattern, Blue - make a folding Easter card, Yellow - maths estimation challenge

Things to try at home:

Talk about Spring and the changes you can see around you outside.

Talk about Easter and other festivals that you might celebrate as a family.

Have an Easter egg hunt at home. Hide objects or eggs and give clues where to find them.

Read books together and listen to your child read their books from school as well as on Bug Club or Oxford Owl.
