Time - Let's revise telling the time!

Spellings

Hyphenated Words 1: When adding a prefix which ends in a vowel to a root word beginning with a vowel, a hyphen is used to make the join.

Tasks:

1. Practice the words using your preferred strategies and by using Spelling Shed.
2. Complete the matching tasks below by either numbering and colouring the word and its definition.

1. co-operate
2. co-ordinate
3. co-own
4. co-author
5. re-enter
6. re-educate
7. re-examine
8. re-evaluate
9. re-energise
10. re-elect

co-operate	To choose a leader for a further term of office.	re-educate	To go back over your ideas.
co-ordinate	To look back over the evidence.	re-examine	To work together as a team.
co-own	A joint writer of a book, poem or article.	re-evaluate	To own something jointly.
co-author	A group of numbers used to indicate the position of a point on a grid.	re-energise	To try and educate or train someone into a different way of thinking.
re-enter	To give fresh enthusiasm to.	re-elect	To enter into something again.

EXTRA: What do the prefixes co and re mean? Can you find other hyphenated words which begin with them?
