

Heymann Homeworking Menu - Year 3- Week Beginning: 30.3.20

In the table, there are lots of different homework activities to choose from. You must complete the green boxes each week. At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

The Year 3 teachers would really like to see what you've been up to at home. If you would like to, send 1 email per week to year3-teachers@heymann.notts.sch.uk with some photos attached, work, videos etc. showing us how you are working from home. At the end of the week, we will collate some of them and put them on the Year 3 blog.
