

This week we want your child to know:

About winter

Key vocabulary:

Snow

Snowflake

Snowman

Ice

Scarf

Gloves

Hat

Jumper

In Nursery this week:

Story of the week	We will be reading a selection of Winter themed books We will be singing 5 little snowmen
Phonics	We will be making the 'g' sound and feeling the sound in the back of our throats (place a gentle hand on your neck). We will be identifying winter clothes by listening to a description of them.
Maths	We will be understanding that numbers always need to be said in the same order. When counting objects we can count them in any order using the correct counting sequence
Please Note	If you haven't already done so, please complete the school application for your child to start school in September. You need to complete the forms for the council where you live. If you need any help or advice please ask.

Things to try at home:

- ✓ We will be asking the children about their Christmas break. Please send in your child's all about me book with some photos / drawings to help them remember
- ✓ Talk about the snow we had recently. What did it look, feel, smell like? Talk about playing in snow. What did you wear?
- ✓ Make some ice together. Choose some different shaped containers, pour in some water and put them in the freezer. What has happened after 30 minutes/ 1 hour / a day?
