

This week we want your child to know:

about The Enormous Turnip

Key vocabulary:

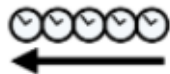

Enormous

Turnip

Once

upon a time,

In Nursery this week:

Story of the week	We will be retelling the Enormous Turnip story.
Phonics	We will be listening for the 'p' sound in words and making it with our mouths. We will be sorting words by the number of syllables they have.
Maths	We will be comparing objects by weight using balance scales. We will also be practising positional language: in front and behind.
Please Note	Please return your 'All about me' book to nursery as soon as possible.

Things to try at home:

- ✓ Look at the different vegetables you have at home. Name them, talk about how they look, smell and taste.
- ✓ Challenge your child to try a new vegetable. We would love to hear what they tried!
- ✓ Find another story that starts with 'Once upon a time'. Share the story together and encourage your child to join in with the words. They might even remember our once upon a time action! (Opening hands like a book)
