

This week we want your child to know:

The words to these nursery rhymes

Key Songs:

Head, shoulders, knees and toes

[Mr Tumble Songs | Head, shoulders, knees and Toes - YouTube](#)

Wind the bobbin up [Wind The Bobbin Up](#)

[| The Baby Club - YouTube](#)

1,2,3,4,5

[1, 2, 3, 4, 5, once I caught a fish alive | Early Years - Nursery Rhymes - YouTube](#)

Row, row, row, your boat [Row Row](#)

[Row Your Boat | Super Simple Songs - YouTube](#)

The wheels on the bus [Singing Hands:](#)

[The Wheels on the Bus - Makaton Sign Language - YouTube](#)

In Nursery this week:

Song of the week	Wind the bobbin up
Phonics	We are learning how to make different sounds with shakers as well as exploring different instruments.
Maths	This week we are sorting and grouping objects by colour. We are using the language of 'more' to make comparisons of amounts
Communication	We are also learning to spot colours in our environment and sort things by colour.
Please Note	Labelling your child's clothes helps us keep track

Things to try at home:

- ✓ Enjoy singing nursery rhymes at home. You can click the links in the key songs box to listen to the songs at home.
- ✓ Encourage your child to join in with the actions as they sing.
- ✓ Talk about your favourite nursery rhymes and sing them together
- ✓ Go on a colour hunt around the home. What can you find that is red? How many blue things can you find?
