

Homework year 1. 24th November 2022

Please remember to keep your phonics reading book in your bookbag and bring it to school daily. Please detach the back page and practice the tricky words and sounds we have learnt so far at home. You may like to have a go at one of the activities below and return it to school for a sticker!

This week for Tricky words we would like you to continue to look through the list at the back of your child's reading diary and see how many words they know. When there are 3 or 4 they do not know, stop and practise those words.

Keep practising the tricky words we have learnt so far and try to write them in the sentences.

This week we have been revisiting words with digraphs ay, ou, oy and ea. We are also looking at polysyllabic words.
