## Things to talk about at home:

Can you retell the story of the 3 Billy Goats Gruff?

Can you change the goat characters to something new e.g 3 horses?

Can you describe the Troll in your story?

How can you make 7 in different ways e.g 5 and 2, 6 and 1

Mixing colours – how do we make orange, green and purple?

## Things we are Learning

<p><b>English and phonics Focus</b></p>	<p>Innovating the 3 Billy Goats Gruff story Retelling our new story Letter formation Phonics Phase three and four</p>
<p><b>Maths focus</b></p>	<p>The children will have an opportunity to build on previous work on the composition of 6 and 7 as '5 and a bit', and see that both 8 and 9 can be composed as '5 and a bit'. A range of representations in which 5 is visible as a clear part will be used, including fingers, the double dice frame and the 10-frame. Discussing and comparing these representations will enable children to generalise that each of the numbers 6 to 9 can have 5 as a part.</p>
