

Key Vocabulary:

Once upon a time there  
was a ..... who.....

Early one morning.....

Unfortunately....

Luckily.....

Finally.....

Things to talk about at home:

Can you make up a story about a minibeast using the story language we have been practicing?

Next week is the half term break- we will not be at school for a week.

Can you write your first name and your surname?

Can you recall your number bonds to 10? 10 is made of 9 and 1. 10 is made of 8 and 2 etc

Bookfair – Wed, Thurs, Fri after School

Things we are Learning

<b>English and phonics Focus</b>	Invention Week – Telling stories about minibeast Letter formation Phonics Phase three and four
<b>Maths focus</b>	Ordinality – where numbers are in relation to each other Playing track games will provide the children with practice in recognising numerals. These activities will give the children experience of counting on from different numbers and support them in continuing to develop their own ‘mental number lines’, a key building block for later mathematical knowledge.
<b>Other</b>	Making a minibeast puppet Ordering numbers 1-10 Games RE - celebrations
