City: Nottingham

Key Vocabulary

	county	A large area in England which has one or two cities, many towns and villages and countryside. The county we live in is Nottinghamshire.
	countryside	An area with small towns and villages, but no cities. There may be fields, hills, forests and mountains.
	local area	The area that is close to where you live.
	key	Pictures to represent features of a map.
	aerial view	A view of a place from above.
	compass	A tool to show directions: North, East, South and West.
	human feature	Features built by humans such as buildings and roads.
	physical feature	Features that are natural such as hills and trees.

How could you improve a local park?
