

Maths

This term we will be learning about numbers up to 100. We are introduced to multiplication (counting in 2's, 5's and 10's) and fractions (finding halves and quarters of shapes and amounts). We will also be looking at money and learning to tell the time to the o'clock and half past.

English

In English, we will be describing characters using a version of Handa's Surprise. We will be retelling the Magic Porridge pot story and writing a recount. We will also have our invention week in May where we write alongside the rest of the school.

Phonics

We will be having daily 'Little wandle' phonics lessons. We will be reading in groups too. After half term we will be completing our phonics screening check- see bulletin for information.

PE

We will be learning target, invasion and striking and fielding games. We will also learn yoga. Please come in PE kits on Monday and Wednesdays.

Year One- Summer term

Curriculum Drivers:

Creative Thinking - Children will be encouraged to solve problems creatively and collaboratively with their peers.

Diversity - Children will learn about the different parts of the world, comparing life in Kenya with the UK. They learn about a range of festivals and how they are celebrated.

Emotional Intelligence - Children will learn how to communicate their thoughts, feelings and opinions as well as listen to others.

Community - Children's learning will be enhanced by visiting St Paul's church and sharing their learning with parents in our sharing assemblies .

Science

We will learning about humans- naming body parts and know the associated sense. We will then be looking at plants. We continue to observe the seasons.

Music

We will be using a scheme called Charanga to think about our imagination in music! We will learn the Supercalifragilisticexpialidocious song.

PSHE

At Heymann, we use the 'Jigsaw' scheme of work to teach our, PSHE lessons. This term we will look at Relationships and Changing me.

Geography

We are learning about Kenya in Africa, comparing cities and towns with London and where we live. We will be learning the 7 continents of the world.

History

We will be looking at how Exploration has changed over time starting with a visit from Mr Frostbite.

DT

We will be designing and making fruit skewers.

ICT

We will use beebots to programme instructions as code. We will also be using 'book creator' to present some of our learning.

RE

We will be visiting St Paul's church to find out what makes a church special to Christians. In our Assemblies and circle times we will think about festivals celebrated.
